**Announcements:**

1. Kevin passes around a hat so that someone else can play music because we're all tired of his shitty playlists
2. Space request for PAA study break to choose classes and offer guidance. Request approved! Can't wait to plan out how much your spring semester is going to suck? Me neither!
3. Get your ring fitted, so when you punch someone in the face, they KNOW you're from Rice
4. Shamsa wants you to stop throwing your food in the recycling, wants you to let her know when you are not using Martel public spaces so they can turn off the air conditioning, and wants you to go to Brochstein for her event. Basically, she wants you.
5. Oktoberfest t-shirts are still on sale. Great success!
6. **Go and vote for governor next Tuesday! Please vote if you are registered and make a positive change for our great state!**
